# Single Slider (OX/XO) Patio Door

Single Slider (OX/XO) patio door is a classic patio door with traditional right-hand (OX) and left-hand (XO) configuration. It is just perfect for your remodelling and new home project!

**SINGLE SLIDER (OX)** shown  
(also available in XO)

## Features & Benefits

- All vinyl, multi-chamber profile design for superior insulating properties for your comfort and energy savings.
- Mechanically-joined frame with accessory groove in standard 5-5/8" frame depth.
- Mechanically fastened aluminum reinforced door panels for rigidity and strength.
- Standard sizes available: 5, 6 or 8' width by 6'8" height.
- AAMA certified zinc-plated, double tandem steel rollers for durability and smooth, effortless sliding.
- Corrosion-resistant, anodized-aluminum tracks for ongoing, smooth gliding operation.
- Full perimeter triple layer weather stripping for excellent air and water tightness.
- Standard Prestige handle (with lock and key upgrade).
- Heavy-duty screen with heavy-gauge extruded aluminum frame and fiberglass mesh for solid frame and smooth operation.
- Specially-designed fabrication equipment combined with some of the most efficient manufacturing processes ensure that the fit, finish and functionality of the sliding patio door is of the highest quality.
